DUNCAN M'INTYRE, Author of the following Poems, was born in Glenorchy, Argyleſhire, in the year 1724. The only amuſement of his youth was fowling and fiſhing. He was for ſome time in the army: Afterwards a Foreſter to the Right Honourable the Earl of Breadalbane, in Coire-Cheathaich and Beinn-Dourain; and thereafter to his Grace the Duke of Argyle, in Buachill-Eite. He was likewiſe, for a conſiderable time, in the City-guard of Edinburgh.—He began to compoſe Songs in the twenty-third year of his age.—Though he has received no education, nor been aſſiſted by any perſon, yet the following Songs, &c. are wholly of his own compoſition.

XI.

An cloidheamh braoiſgeach, bh'aig na daoine
Nach d'rinn caonag 's nach d'thug buillean,
Cha ro eugas air an t ſaoghal,
'S mairg a ſhaoruich leis an cumeaſg;
An cloidheamh duth air an ro 'n taimhleas
Gun chrios, gun chrambait, gun duille,
Gun ruinn, gun fhaobhar, gun cheanbheart,
'S mairg a tharladh leis an cunthart.

XII.

Thug mi lium an cloidheamh bearnach,
'S b'olc an an aſuig e ſa' chabhaig,
Bhi ga ghiulan ar mo ſhliaſuid;
'S mairg mi riamh a thug o'n bhail é,
Cha toir é ſtobadh na ſathadh,
'S cha ro é laidir gu gearradh
Gu'm b'e diuthadh a bhuill airm é,
'Se air meirgeadh air an fharadh.

XIII.

Chruinnich uaiſlean Earraghaidheal,
Armailt laidir do mhiliſi,
'S chuaidh iad mu choinnimh Phrionns' Tear-[lach,
'S duil aca r'a champ a bhriſteadh;
S ioma fear a bh' ann ſan ait' ud
Nach ro ſabhailt mur bha miſe,
A'mhead ſa dhfhag ſinn an ſan áraich,
La blár na h Eaglais brice.

ORAN II.

Oran do Thailbcart a bha aig Ban-ri Mairi.

I.

Deoch ſlainte Ri Deorſa,
Gu'n olainn ar thus,
Le onoir 's le buaidh
Nan daoin uaiſl' tha na chuirt,
Le Seanalair Hawley,
As Maidſear Cochun,
Gun di' chuimhn' air Mairi,
Bean mhálta mo ruin.

II.

Mo bheannachd gu bráth
Aig a Bhan-ri nach beo;
'San aic' a bha Mairi,
G'a h árach 's i og;
Bean ſhiobhalta, ſhamhach,
'S i nárach gu leor:
'Nuair theid mi 'n tigh thairne,
'Si phaigheadh mo ſtóp.

III.

'Stu chumadh an co'throm
'S an onoir 'ud rium,
'S a chuireadh a'm ſporan,
Na dollair 's na crúin,
Ged' a dh' ólainn leann laidir,
Fion Spáinteach as rúm;
'S tu b' urrain a phaigh,
'S tu 'n ait air mo chúl.

IV.

Nuair thiginn leat dathigh,
Thar faithch' an rabhiu,
'S tu sínnt ann am bhreacan,
Bu taitneach leam thu;
Gu'n deanuin do thaſguidh,
Far am faicinn do ghnuis,
Mo Mhairi dhonn mhaiſeach,
Air 'n do leag mi mo rún.

V.

'S ann do nian na Ban-rí
Thug mi grádh as mi óg,
O'n a fhuair mi air laimh i,
Cha ro faillin a'm lón;
Fhuair mi coir ort o'n chaiptein,
Nach tugainn feachad air ór,
'S ge do rachuin am blár leat,
Cha 'n fhágain thu beo.

VI.

'S ann a fhuair mis' an toiſeach,
Leis an fhortan a bh' ann,
A bhean as diriche pearſa,
Theid a mach ſa' chommand ;
'S a dh'aindeoin na h aoiſe,
Cha dean i h aogas a chall,
Cha chaoluich a caſan,
'S cha mho ghlaſas a ceann.

VII.

Tha Mairi cho boigheach
Ri mnaoi oig a tha 's tír,
'S i gun uireaſbhuidh foghluim,
Uaſal, mordhalach, grinn ;
'Se m' aidhir 's mo ſhólas,
Gu'm bheil i póſda rium fhin,
'S ge 'd a thearuig dhuinn ſtóras,
Gheibh ſin ór aig an Ri.

VIII.

Bi ſinn uil' aig Ri Deorſa,
'S cha ghóruiche dhuinn ;
O's ann aige tha' n ſtóras
As cóir air a chrún ;
Bheir é 'm paigh 'nar dorn duinn,
'S cha 'n iar é oirn dad g'a chion,
Gheibh ſinn anart as aodach
Co ſaor ris a bhúrn.

IX.

Cha 'neil triobloid r'a chunntas,
Air muintir an Ri,
Ach miorag as fugradh,
'S bi gun churam do ni;
Ged' a dh' ólainn na galain,
A h uile car a theid diom,
Cha troideadh mo bhean rium,
'S cha leig i an t aran am dhi.

X.

'S ann agams' tha 'n leannan,
Nach 'eil feammach na brein,
'Si 'n uaifl' tha na mala,
Tha cuir a ceanail an geil,
'S tha mi fad an am barail,
Nach 'eil a coimeas fu' 'n ghrein,
'S ni mi pórfan dith daingean,
Mu bhios i mairthean a'm dheigh.

ORAN III.

Oran do 'n Mhuſg.

I.

'SIOMADH car a dh'fheudas tighn air na fearaibh
Is theag' gu'n gabh iad gaol air an té nach fhuigh iad,
Thug mi fichead bliadhna do'n chiad té ghabh mi,
Is chuir i 'rithiſt cúl rium, is bha mi folamh.

II.

Is thainig mi Dhun-eudan a dh'iarraidh leannain,
Is thúirt an Caiptin Caimbeul, 's é 'n geard a bhaile,
Gu'm b'aithne dha bantrach ann áite falaich,
Is gu'n deanadh é áird air a cur a'm 'charaibh.

III.

Rinn é mar a b' amhaiſt co'mhaith 's a ghealladh,
Thug é dhamh air laímh i, 's am páidh marri;
Is ge b'e bhios a feóraich a h ainm no ſloinneadh,
Their iad ria Seónaid, 's b'e Deorſa ſean-aír.

IV.

Tha i ſoitheamh, ſuairce, gun ghruaim, gun ſmalan,
Is i cho' árd ann uaiſle re mnaoi ſan fhearan,
Is culaidh a m' chumail ſuas i, o'n tha i marrium,
Is mór an t' ádh'r ſmuairein do'n fhear nach fhuigh i.

V.

Leig me dhiom Nic-cóſhum ge d'tha i mairthean,
Is leig mi na daimh chrocach an taobh bha 'n [aire,
Is thao' mi ris an og mhnaoi, 'ſann lium nach aithreach,
Cha n'eil mi gun ſtóras on phós mi 'n ainnir.

VI.

Bheir mi fhein mo bhriathr' gu bheil i romhaith,
Is nach d'athinich mi riamh orra cron am falach,
Ach gu foinneamh, finealta, díreach, fallain,
Is i gun ghàoid, gun ghiomh, gun char fiar, gun chamadh.

VII.

Bithidh i air mo ghiulan, 's gur maith an airidh,
Ni mi fhein a ſgúradh gu maith 's a glanadh,
Chuirinn ri' an t uilleadh ga cumail ceanalt,
Is cuiridh mi ri m' fhuil i, 's cha diult i aingeal.

VIII.

'Nuair bhios cion an ſtórais air daoinibh ganna,
Cha leigeadh nian Deorſa mo phoca folamh;
Cumaidh i rium ól ann ſna tighibh leanna,
'S páidh i gach ſtópan a ni mi cheannach.

IX.

Ni i mar bu mhian leam a h uile car dhamh,
Cha 'n innis thi breug dhamh, no ſgeul am [lium,
mearachd;
Cumaidh i mo theaghlach có-maith 's bu mhaith
Ge nach dean mi ſoathair no obair ſhalach.

X.

Sgíthich mi ri gniomh, ge nach d'rinn mi [ſgaloig,
earras,
Thug mi boid nach fhiach leam bhi ann a'm
Sguiridh mi g'am phianadh, o'n thug mi 'n aire,
Gur th' é' n duine diamhaoin is fhaide mhaireas.

XI.

'Si mo bheanag ghaolach nach dean mo mhe-
alladh,
Foghnuidh i dhamh daonan a dheanamh arain;
Cha bhi fáilliun eadaich orm no anart,
'S chuaidh curam an tſaoghail a nois' as m'aire,

ORAN IV.

Oran do'n Righ.

I.

'Sı deoch ſlaint' an Righ as áil linn,
Sin an ioc-ſhlaint aluinn, uaſal,
Bhi ga h ol a dh'fhión na Spainte,
No do phuinſe laidir, uaibhreach,
'Nuair a bhios i air a ſtráchdadh
Co lán 'ſa chumas na cuachan,
Ge b'e lamh an dean i tachairt,
'S coir gu'm faiceadh é muncuairt i.

II.

'S mor an ſonas th' ann ſan ríoghachd,
Ona chuaidh an Ri ſo chrúnadh,
Ann ſan ait' a bh' aig a ſhinns'reachd,
An d'fhuair a ſhéan-feanair cóir dhúthchais,
Albainn, as Saſgunn, as Eirinn,
'Nois' a' géileachduin do 'n aon fhear,
Mar nach fhacas iad riamh roimhe
O'n a chothuicheadh air thús aid.

III.

'S mor an t ádh a th' áir an oig-fhear,
An treas Deors' a fhuith fa' chaithir,
Cha neil Ri ann fan Roinn-eorpa,
Chumas cómhrag ris le cloidheamh;
'S óg a thoifich é ri cruadal,
'S tha bhuanachd gu tric na lamhan,
Fearann chaich 'ga fhír thoirt uatha,
'S na h uil' aite fhuair é ghleidheadh.

IV.

'S iomadh ait' an ro chuid armailt,
Cliutach, ainmeil 'nuair a thairnt' iad
A choifichin lúthar, calma,
A's troup meamnach nan each laidir;
Bha Eirionnaich, Gaoill, as Sas'naich,
'Nan gaifgich ann tir an namhaid,
'S mairg a thach'radh air na fearuibh,
'Nuair a theannadh iad ri lamhach.

V.

Ann fa h uile cás a's cunthart,
'S mor an t urram fhuair na Gaidhil,
'S bha'as greis ga 'n cuir an duileachd,
Mar nach buineadh iad do'n phairti;
Ach 'nuair fhuair iad mios as creid'eas,
'Sa chreideadh nach deanadh iad failling,
'Siad bu fheafmhaich' air an onair
A thug lann fholais a fcábart.

VI.

Bha iad bras a h uile latha,
Ri ám catha dol fna bláruibh,
Chuaidh gach duine dhiu air chruadal,
'S ann orra bha buaidh gach láraċh,
Bha commiſean aig gach oig-fhear,
'S e toirt órdugh d'a bhraṫailean,
'S iad cho dileas do Ri Deorſa,
'Sa bhiodh na leoghain dha'n cuid álaich.

VII.

Bha chairt-iuil is cuimhl' an fhortain,
Bha ſeoid a chogaidh gu leir leat;
Ann ſa h uile blár a bh' aca,
Rinn Mars na bu choir dha fein deth:
'N ám do loingis bhi 'gan gluaſad,
Chuir Æolus fuaim led' bhréidean;
Thug Neptune co-throm a chuain duit,
'S co bha uait a dheanadh ſeum dhuit.

VIII.

Bha na gearaſdain cho daingean,
'S gu'm b' amaideach dol gan ſeiſdeadh,
Aghaidh laidir air gach balla,
Chum nam barag a bhi gleidhteach,
Rampair árd nach reachta thairis,
Bat'raidh 's canain orra gleuſda,
Bu mhairg a bhiodh roimh an anail
'Nuair a theannadh iad ri geiſgil.

IX.

Gach Ri a thoifich ad' aghaidh,
Ghabh iad mar roghain an diutha,
'S ionan fin 's mur dh'eirich dhaibhfan,
'S mor a chaill iad air a chúis ud,
Thug thu tarruing bhar an Fhrancaich,
'S fhuair thu ceanglaichin a's cumhnant,
Nach togadh é rithifd t'angar,
Mu'n eireadh aimhleas ni bu mho dha.

X.

Bha Ban-ri Hungary górach,
'Nuair a thoifich i ri ftri riut ;
'S cha bu ghlice Ri na Spainte,
Thoifich é gu dana mi-mho'il :
Ged' a bha 'n dithifd ud laidir,
'S Ri no dha a bh'ann fna h innfean,
Fhuair thu dhiu gach cuis a dh'iarr thu,
'S tha na fiachan air an dioladh.

XI.

Tha 'n Ri anoís' mar as aill leis,
Sábhailt a dh' fhaodas é luighe,
Tharruing é gu tír a chamhlach,
'S channeil feum air camp a ghléidheadh
Gach duine bha dha 'nan naimhdean,
Chinn iad da 'nan cairdean matha,
'S tha iad uile dha cho dileas,
'S dh' fhuirich an t fiocha' fin fhathafd.

XII.

An ceithir airdean an t ſaoghail,
Tha fearunn as daoin' aig Deorſa,
'S tha chinn-euglais ann ſgach áite
Chum an ſábhaladh ó dho-bheairt,
Tha lagh a's parlamaid aca,
Chumail ceartais riu a's córach,
'S tha mheirl' ann deigh a caſga,
Sguir na creachan a's an tórachd.

XIII.

Bi' a h uile diuc a's iarla,
Mar as miann leo am fad as beo thu,
'S gheibh gach mor-fhear, as gach tighearn',
A h uile dlitheadh as coir dhoibh ;
Tha daon uaiſl', as tuath an fhearuinn
Mar as math leo thaobh an ſtórais,
Tha luchd ceaird a faotain coſnaidh,
'S channeil duine bochd gun phórſan.

XIV.

Tha toradh am fás na talmhuin,
Gu mioſach, ar' arach, pórach,
Chinn ann ſpreidh gu bliochdach, bainn'or,
Sona, ſliochdór, ſáilleach, feólór,
Tha ſitheann air ſliabh gach garbhluich,
Sealgairean a faotain ſpórſa,
'S tha tighin air iaſg na fairge,
'S paillt an t airgiod ri linn Dheorſa.

XV.

'S mór a rinn e dh' fhearas-tighe,
Sgaoil é h uile matheas oirne,
Chuir é drochaid air gach álltan,
'S réitich é na ráidean-mora;
Chuir é fcoil fa' h uile gleann,
A los gu'm faigheadh ar clann foghlum,
'S gheibh finn airm a's aodach Gaidh'leach,
O 'fe 's fhear linn gu bhi fporfail.

XVI.

'Se as airde do na flaithibh,
'S am mac-ratha o thús oige,
Ceannard laidir fa' h uil' ionad,
Air gach fineadh 's air gach feorfa;
Titul Bhreattain a's na Fraince,
Tha na banntan fin 'na phóchda,
Stoileadh Eirinn, fteibh a' chreidimh,
G'a chumail creid'eafach ann órdugh.

XVII.

Gu meal thu do chrún 's do chaithir,
D' uinein, do chloidh' 's do mhor-chuis,
'S do theaghlach mór, rioghail, cliutach,
'S an lu chairt am bheil thu chomhnuidh;
Ge b'e uair a thig an aois ort,
Na chaochla's tu bhar an t feoil fin,
Gu'm bi do mhac-oighre fábhailt,
Ann ad' aite mar is coir dha.

ORAN V.

ORAN VII.

Cumhadh Choire-cheathaich.

Air fonn, The Flowers of Edinburgh.

I.

'S Duilich leam an caradh
Th' air coire gorm an fháfaich,
Ann raibh mi greis am arach
'S an bhraidhe fo thall;
'S iomadh fear a bharr orm,
A thaitneadh e r'a nádur,

Na 'm biodh é mar a bha é,
'Nuair dh' fhág mi e nall;
Gunnaireachd is lambach
Spurt is adhbhar ghaire,
Chleachd bhi aig na h ármuinn
A b'abhaiſd bhi ſa' ghleann,
Rinn na fir ud fhágail,
'S mac eoghain tanna dráſta,
Mar chlach an ionnad cápaig
An aite na bh' ann.

II.

Tha 'n coir' air dol am fáillin,
Ged' ithear thun a bhlair e,
Gun duin aig am bheil cás deth
Mun ait' ann ſan ám;
Na feidh a bh' ann air fhagáil,

'Scha 'neil an aite támha
Mar bha e ſa ghleann.
Tha 'm Baran air a ſharuch'
'S dhartluich air an taladh,
Gun ſgil aig air an nadar
Ged' thainic e ann.
B' fhear dha bhi mar b' abhaiſt,
Oſcionn an t ſoigheich chátha,
'Sa lamhan a bhi lán di,
Ga faſgadh gu teann.

III.

Se múgha' air an t ſaoghal

A dhol anois air faoin-traigh,
'S am maor a theachd ann :
'S gur h é bu chleachdain riamh dha,
Bhi truſa nan cearc biata,
Gur tric a rinn iad ſiathnail,
Le pianadh do lámh,
Is iad na 'm baidnibh riabhach,
Mu d' amhaich 's ann ad ſgiathan,
Bhiodh iotaillich is ſgiabail
Mu d' fhiaclan ſan ám,
Bu ghiobach thu re riaghailt,
Mu chidſin tighe 'n iarla,
Gar nach b'e do mhiann
Bhi cuir bhian air an ſtaing.

IV.

Ged' tha thu 'nois ſa' bhraighe,
Cha chompanach le cách thu,
'S tha h uile duine táir ort
O'n thainig thu ann ;
'S eigin duit am fágail
Na 's meaſa na mar thainic,
Cha taitinn thu re 'n nádur,
Le cnamhan 's le cainnt ;
Gad fhaiceadh tu ghreidh uallach,
'Nuair rachadh tu mun-cuairt doibh,

Cha dean thu ach am fuadachadh,
Suas feadh nam beann.
Leis a ghunnadh nach raibh buaghar,
'Sa mheirg air a toll cluaise,
Cha 'n eirmis i na cruachan,
An cuaille dubh cam.

V.

Se 'n coire chuaidh an deis-laimh,
O'n tha e nois' gun fheidh ann,
Gun duin aig am bheil speis diu,
Ni feum air an cúl,

Cha n' fhuirich iad ri chéile;
'S ann a ghabh iad an ra-treata
Seach rédhlean nan lúb.
Cha 'n 'eil prís an ruadh-bhuic,
An coille na air fuaran,
Nach b' eigin da bhi gluasad
Le ruaig feadh na duth'eh':
'S cha' n' eil a nois' mun-cuairt da,
Aon spúrt a dheanadh suairceas,
Na thaitneadh re duin-uasal
Ged' fhuasgladh e chú.

VI.

Tha choille bh' ann san fhrí ud,

Air feachda' mar gu'n fpiont' iad
A nios as an úir:
Na failleinin bu bhoidhcheadh,
Na flatan is na hógain,
'San t áit' am biodh an fmeórach
Gu módhar a fein ciúil,
Tha iad uil' air coachladh,
Cha d' fhuirich fiodh na fraoch ann;
Tha mullach bhar gach craoibhe,
'S am maor 'ga thoirt diú.

VII.

Na fhruthladh dúbh gun fiola',
Le barraig uaine liogh-ghlais
Gu mi-bhlafda grannd;

Cha 'n 'eil gne tuille fás
An fan ait' ud fan ám;

Na ghluguibh domhain, fámhach,
Co tiugh re fúdhan cáthadh,
'Na láthaich 's na phlám;
Sean bhurn fálach ruodhain
Cha ghloine ghrunnd na uachdar,
Gur coflach re muir ruaidh e,
Na ruaimle feadh ftanng.

VIII.

Tha 'n t ait an raibh na fuarain
Air fás na chroite cruaidhe,
Gun fóbhrach, gun dail-chuach,
Gun lus uaſal air carn;
An ſliadh an raibh na h éildean,
An aite laidhe 's eiridh
Cho' lom re cauſar féille,
'S am feur chinn e gann;
Chuir Alaſtair le gheiſgeil,
A ghreidh ud as a cheile,
'S thur leam gur mor an éu-coir
An eadail a chall;
Cha lughadh 'n t adhbhar mío-thlachd,
Am fear a chleachd bhi tíorail,
A' tearnadh is a direadh
Re frí nan damh ſeang.

IX.

Ach ma's duine do ſhliochd Pháruic,
A theid a nois' do'n áite,
'S gu 'n cuir e as a láraich
An tách'ran a tha 'nn;
Bidh 'n coire mar a bha e,
Bidh laoigh is aidhein dár ann,
Bidh daimh a dol ſan dámhair,
Air faſach nam beann;
Bi' buic ſna baddan blátha,
Na bric ſan abhuinn laimh riu,

Sna feidh an ſrath na láir'ge
Ag árach na mang,
Thig gach uile ni g'a ábhaiſt,
Le aidheir is le ábhachd,
'Nuair gheibh am Baran bairlin,
Sud fhágail gun taing.

ORAN IX.

Oran do Ioin Caimbeul a' bhanc.

I.

Ioin Chaïmbeul a' bhanca,
Gu'm faiceam thu flán,
Fhir a chumail na dáimh,
'Gam buineadh bhi mór ;
Le d' chroidhe fial, fearail,
A thug barrachd air cách,
Ann iomadaidh cás
A thuilleadh nan flógh.
Fhuair thu meas, nach 'eil bichiont,
A measg Bhreatonach :
Banc an oir bhi fuidh d' fgoit,
Ann an cóir dhleafdanaich,
Na th' ann, cha 'n é 'm beagan
I's é 'm freafdal re d' ftait,
Fuidh leagadh do lámh
'S gu freagradh do bheoil.

II.

'S tu marcach nan frann-each,
Is farramach ceum,

Le 'm fallaireachd fein
Gu farafta fóil :
Air dhiollait nan cúrfan
Bu dubailte freun,
'S tu bhuidhneadh gach réis,
A fhiubhladh an ród.
Na h' eich bhearrcafach chalma,
Bhiodh garbh cumachdail,
Is iad gu h anmadail meamnach,
Le 'm falbh gruilleamach,
Cruidheach, dlúth thairgneach,
Mear, ainfheafach, fuafgailteach,
Ceann-ardach, cluas-bhiorach,
Uallach gu leoir.

III.

B'e do roghainn a dh'armachd,
An targait chruinn úr,
Gu meanbh-bhallach dlú,
Bui tairgneach cruaidh feolt :
Is cloidheamh chinn airgid
Cruaidh, calma nach lúb,
Lann thana gheur-chuil
Gu daingean a'd dhórn.
Marri dag ullamh ghrad,
A bhiodh a fnap freafdalach,
Nach biodh ftad air a fraid
Ach bhi 'mach freagarach :

Am feadan glé dhíreach,

A'd lamhan geal, míne,
'S coliomhar caol, gorm.

IV.

Bu chean-ard air feac thu,

Mín cannach do ghruaidh,
Mar bhara nan rós.
Cha 'n eil áilleachd air cách,
Nach d' thug pairt urram dhuit;

Gun chron ort a' fás,
O mhulach gu bróig.

VIII.

Do ſmaointine glice,

IX.

Gheibhte fúd ann ad thalla,

A teannadh r'a h ól.
Ann san tigh bu mhór seadh,
Leis nach dragh aithnichean,

Is iad pailte gu leoir.

X

B'e do mhiann a lucha ealaidh,

Bu bhian-fhoclach fuaim,
'Sa cha tilleadh tu 'n duais,
'Nuair a fhireadh tu ceol.

XI.

'S iomadh ait' am bheil do charaid,

Is ris an d'earbadh gu leoir.
An t Iarlo' cliutach g'an dú'chas,

ORAN XIV.

Cumha' Ghileaſpaig Achaladóir.

I.

Gur muladach tha ſinn,
Mu Mháidſeir Achaladoir;

Chuaidh gach duine g'an áite,
'S an leith-páigh 'ga tharuing ac',
'S ann tha eiſean air fhágail,

II.

Air thoiſeach na h armailt,
Far 'na dhearbh thu do cheann-ardachd,
Chaidh tu null air muir-dhubh-ghuirm,
'S bhi 'ga ſtiubhradh le Maraichean,

Is iad 'nan camp air gach Gearaſdan.

III.

Thug ſin thu gu áite,
'S theireadh cach gur tu b'airidh air,
Bha do miſneach is d' eolas,
Mar á dh' fhoghnadh do ſheanalair.

IV.

VI.

Ann an lá blár champin,
'Nuair bhuail an tacaid an ſeanalair,
Chuaidh a lot ann ſan áraich,
'S dh'fhág cach a call foladh é,
Thug thu mach e air ghiulan,
'Sin an turn nach raibh aithreach dhuit,

'Nan fealladh iad díreach,
'S gu'm bi 'n fhirin a chanadh iad;

O'n a thoifich a charraid fo.

IX.

Chaidh Gilefpic a bhualadh,
Thain' an luaithe na deannuimh air,
Far nach fhaiceadh é naimhdean,
'S craobhan arda 'gam folach air;

A bha 'n la' fin ann caradh dhuit,
Bha 'n taic air am fágail,
'Nuair a bha thu gun anail ac'.

X.

'Nuair a thainig a ghárfaid,

XI.

Bha thu maith ann ám ſiochaint,
Gu ſiobhalta, farafta,

XIII.

Bu tu croidhe na feile,

Bu mhaith labhairt is leirſin,
'Nám dhuit fein bhi meaſg aithnichin,
Sár phoiteir an fhiona,
Lamh dhioladh nan galan thu,

XIV.

ORAN XV.

Cumha' Chailein Glinn-iuthair

I.

SMAOINTEAN truagh a th'air m' aigne,
Dh' fhág orm smuairean, is airsneul,
Ann ám gluasad am leabidh,
Cha chadal ach dúisg,
Tha mo ghruaighean air seachda',
Gun dion uair air mo roſguibh,
Mu'n sgeul a chualas o'n Appuin,
A ghluais a chaismeachd 'ud duin',

Fear Glinn-iuthair a dhí oirn',
Le puthar luchd mio-rúin,
Mo ſgeul duthach r'a innſeadh
Thu bhi 'd ſhíne' ſan úir,
'S truagh gach duine do 'd dhílſean,
O'n a chuaith do chorp príſeil,
Ann ciſte chuthainn, chaoil, dionaich,
'S ann an lín-anart úr.

II.

B'e ſin an corp áluin,
'Nuair bha thu roimhe ſo 'd ſhlainte,
Gun chion cumachd, no fás ort,
Gu foinnimh, daicheil, deus, úr,
Suairce, foiſinneach, fáilteach,
Uaſal, iorafal, baidheil,
Caoineil, cineadail, cairdeil,
Gun chron r'a gh'rait air a chúl,
Lán do ghliocas, 's do leirſin,
Gu dana, mioſnachail, treubhach,
Gach ait' an ſirte gu feum thu,
'S ann leat a dh'eireadh gach cúis;
B'e do choimeas an dreagan,
Na 'n t ſeothag 'ſna ſpeuran,
Co bu choſlach r'a cheile
Ach iad fein agus tu?

III.

'S cruaidh an teacair a thainic,
'S truagh mar thachair an dráſta,

Nach do ſheachuin thu 'n t áite,
'N do ghlac am bás thu air thús;
Suas o chachuile ghàruidh,
Fhuair thu 'n tacaid a chràith mi,
'S gun do thaic a bhi laimh riut,
'Nuair ghabh iad fáth ort o'd chúl,
Air do thaobh 's thu gun chomhradh,
San ám 'n do chaochail an deo uait,
D' úil chraobhach, dhearg, bhoidheach,
A gabhail dorta 'na brúchd,
Le gniomh an amadain ghóraich,
A bha gun aithne gun eolas,
A chreic anam air ſtóras,
Nach do chuir ann trócair a dhúil.

IV.

B'e 'n croidhe gun tioma, gun deiſein,
Gun ádh, gun chineas, gun cheatamh,
A chuir lamh a'd mhille gun reaſan,
Le cion ceil' agus túir,
'Se ghlác mar chomhairl' an eucoir,
'S boc an gnothach mar dh'eirich,
Dh'fhág é ſinne fuidh euſlain,
Is e fein 'na fhear cúirn,
'S ge nach ſámhach a leaba,
Le eagal a ghlacadh,
Cha 'ne tha mi 'g acain,
Ach mar a thachair do'n chúis,
An t armun deus, tlachdmhor,
A tha 'n dráſt' ann Ardchátain,

An deis a cháramh an taſguidh,
Ann áite codail nach dúiſg.

V.

'Se do chadal gu ſioruidh,
A dh'fhág m' aigne cho tiomhaidh ;
'S tric ſmaointeana diomhain,
A tigh'n gu dian orm as úr,
'S trom a dh'fhás orm an iargain,
As goirte tárſa na 'm fiadhrus,
Mo chomh-alt áluin, deus, ciatfach,
An deis a reubadh gu dlú' ;
Mile molachd do'n laimh ſin,
A ghabh cothrum is fáth ort,
A thug an comas do'n lamhach,
'Nuair chuir e 'n Spáinteach r'a ſhúil,
Sgeula foilleir a b' áil leam,
Gu'n cluinnt' am follais aig cách,
E bhi dol ri crommaig le fáradh,
Gus am mioſa dha-ſa na dhuinn.

VI.

Ge b'e neach a rinn plót ort,
Le droch dhúrachd o thoiſeach,
Bu dana chúis dha tigh'n ort-ſa,
Na do lota as úr ;
Bha 'na rún bhi gu h olc dhuit,
'S gun a chroidh' aig aodan a nochdadh,
'S ann a thain' é ſámhach mu'n chnocan,
'S a ghabh ort ſocair o'd chúl.

'S é mo dhiúthail a thachair,
Ann ám do'n fhúdar 'ud lasadh,
Nach raibh 'ad chairdean ann taic riut,
Na bheireadh aicheamhail diú';
'Sa liuthad fiuran deus, tlachdmhor,
Nach gabhadh cúram ro' bhagra,
A chuireadh smúid ris an Appuin,
A chion gu'm faiceadh iad thu.

VII.

'S trom a pháigh finn an iobairt,
A chuir ar namhaid a dhí oirnn,
Ged' tha 'n aich'mhail gun díoladh,
Thig fhathasd liondan mu'n chúis,
Chuireas cách ann staid íosail,
Airson an aileagain phriosail,
Bh' ann san áite mar fhírean,
A chleachd firinn is cliu:
'S boc an nuaidheachd r'a aireamh,
Gur ann an nasguidh a tha thu,
Nach d'thainic fhathasd mu'n chás 'ud,
Na dheanadh ábhachd thoirt duinn,
Ach air fhad 's gam bi' dáil ann
Comh cheart 's tha mi 'g raite,
Bi'dh an fhalachd 'ud paighte,
Mun d' theid an gamhlas air chúl.

VIII.

'S iad na fineachan laidir,
Bu mhaith a ghabhail do pháirti,

Ann Righ, is Diuc Earaghaidheal,
Nach fhaiceadh fáilinn ad' chúis,
Iarla dligheach Bhraidealban,
Air thús a tighinn gun chearbuich,
'S gur ioma' fear armach,
A fheas'adh calma r'a chúl;
Mac Caoi 's a luchd leanmhuin,
Leis an eireadh fuinn nach bu leanbuidh,
Na laoich buidhneach, mhór, mheamnach,
Le'n lanna ceann-bheartach, cúil;
Mac Dhom'uil duith, 's cloinn Chamroin,
'S gu leoir a thighearnan ainmeal;
'S fhad o'n chuala' finn feanchas,
Gu'n do dhearbh iad an cliú.

IX.

'S ghabh thu áite le órdugh,
Air páirt do Shrath-lochay,
'S cha b' ann air ghaol fhórais,
'Na los am pórfan thoirt diú';
Ach a fheufamh an córach,
Le meud do cheifd air an t feors' ud,
'S an oidhre dleafnach air fogra,
G'am bu choir bhi fa' chúirt:
'S ge do theireadh luchd fáoineachd,
Gu'n raibh 'd aire-fa daonan,
Bhi fgainneart nan daoin ud,
Na 'n leigeadh fgaoilteach air chúl,
Chíte fhathafd a chaochladh,
Num fuighe tu faoghal,

Gur é bhi tarruing luchd gaoil ort,
As gach taobh, a bha 'd rún.

X.

Bu tu croidhe na feile,
Dh' fhás gu tighearnail, ceut'ach,
Ann lathair britheamh Dhuineidin,
'S tric a reitich thu cúis;
'S oil leam caramh do cheud-mhna,
'S óg a banntrach ad' dheidh i,
Lion campar gu leir i,
O'n a dheug a ceile deus, úr;
Fhuair mi 'n fealladh nach b' aoibhin,
An uaigh mud' choinnimh 'ga reitich,
'S truagh gach comman thug fpeis dhuit,
O'n chuaidh tu fein ann fan úir,
'S gun dúil a nois' ri thu dh'eiridh,
'Se dh'fhág mife fuidh eu-flain,
Bhi 'n diu ag innfeadh do bheufan,
'S nach d' thig thu dh'eifdeachd mo fgiúil.

ORAN XVI.

Marbh-rann coilich.

I.

An cuala ſibh an t ſealg,
A bha ainmeal air feadh nam bailtean;
Rinneadh i ſan an-moch,
'S cha b' fhear dhuinn i bhi ſa mhaduin;
O'n a' bha i cearbach
Le dearbhadh, 'nuair chuaidh i ſeachad,
Cumaidh ſinn am foirm,
Gu'n raibh'n dorch ann, 's nach fheudta faicinn.
'S olc an obair oidhche,
Le coinnlean, ged' theid an laſadh,
Gunnaireachd dhaoin óga;
'S i ghóraich a thug amach iad.

II.

Chúal iad ſa h uil' aite,
Am breamas a rinn Páraic,
'Nuair a dh'innis é do chách é,
Gu'n d' thainig an croman-lachdan,
Bheireadh' é na bóidean
Gur mór é, 'ſa bhroileach glas air,
Is gu'n do luidh é direach
Air círein mulaich na h aitreabh.

Mur cumadh a' chomhl' é,
Gu'm biodh na h eoin air an ſgapadh;
Nach mór a bhiodh beo dhiubh,
Gu'n leon mu'n d' thigeadh a' mhadain.

III.

Sin 'nuair ghlac an ſealgair,
An gunna bh' air an ealchain,
'S chuir é luaith gharbh innte,
Dairearach do'n acfuin Shas'naich:
Chum é fúd r'a ſhealbhan,
'S gu'm b' fhear gu'n rachadh i ſeachad,
'S ann a rinn é marbhadh,
A b' ainmic a leithid fhaicinn.
'Nuair a las am fúdar,
'S é 'n dúil gu'n dianadh é thapadh,
'Se coileach an dúnain,
A bha 'n a chrúban ſa chlappail.

IV.

B'é ſin an coileach boidheach,

'S bha móran deth mar an ſneachda.
Bu leathan a chrógan,
B'é 'n ſmógairneach é air faithche,
Bu ro-mhaith na bótan,
An rómaich' a bh' air a choſan;
Bha ſpuir air a ſpógan,
Bha córr a dh'ionnſuidh a' ghleachdaidh,

'Nuair a thigeadh Di-máirt',
A bhiodh cách a' feuchain an gaiſge.

V.

B'é ſin an coileach ceutach,

'S an uair a chuaidh a reubadh,

Cha leighiſeadh leigh é,
'Sa chreuchdan a' dol am braiſead,
Tonnan g'a fhuil chrao'aich,
A taomachadh as a chraicean.
An t ſealg a rinn na daoine,
Gun faoireachadh fad' air aſtar,
Gun uchdach a dhíreadh,
Ach eidir a ghrióſach 's an ſtairſneach.

VI.

'S an dithiſd thug am bínne,
'S a dh' fhág é ſin 'na ſhíneadh,
B' é 'm breitheamh rinn a dhíteadh
'S b'é 'n gíomanach rinn a leagadh,
'S cha 'n fhágadh iad ſhios é,
Nam fuigheadh é fírinn is ceartas:
Cha d'rinn é riamh ea-coir,
'S deadh bheuſan aige mar fhaſan.
Theannadh é re eigheach,
Gu h eifeachdach 's ſinn 'nar codal,
Is dhúiſgeadh é gu leir ſinn,
'S gu'n eireamaid ann ſa mhadain.

VII.

Chuaidh litir a Shrath-eirion,
A dh' ionnſuidh nion Sheumais,
A dh' innſeadh ceart an ſgeula,
Do'n té dhiubh air am bheil Seſi.
Gu bheil ſinn fuidh champar,
O'n ám an d' thainig an ſneachda,
Mu'n choileach a chaill ſinn,
A's gann a dh' fheudar a ſheachnadh,
O's té nach 'eil teann i,
'S nach ganndar a rinn i chleachdadh,
Gu'n dean i ruinn fábhor,
O's ámhaiſt rud a bhi aice.

VIII.

Beannachd aig an righbhinn,
A bha gu ſuairce ſiobhailt,
Nach do leig air di-chuimhn',
An ſgriobha ſin a chuir dha-thigh;
Chuir i gill 'an tír ſo,
Le ſioltaiche do na cearcan,
'S ghiulain é gu riomhach,
A ghibht phríoſail ud na achlais.
Tha dreach an fhir a dh' fhág ſinn,
A fás air an fhear a th' againn,
'S o'n tha e na áite,
Saoilidh cách gur h é mhac é.

ORAN XVII.

Leis an te chrion nach do fheal air mo chás,
Rinn i mo chreachadh 's bu pheacach an ní dhi',
Mis 'a chuir fios, gun i fein chuir a naird.

V.

Na 'n leig mi dhiom é tuille gu bráth;
Ged' thig a marfant le phachda do'n tír,
Cha 'n fhaigh finn aon síon bhios aige air dáil.

VI.

'S ged' a bhiodh buaile mhart air mo fgáth,
'Si rinn an eu-coir a bheifd a thug uam é,
'S tha mi fu' ghruaim 'o mhaduin Di-mairt.

URLAR.

I.

An t urram thar gach beinn
Aig Beinn-douraim,
Na chunnaic me fuidh 'n ghrein,
Si bu bhoidhche leam,
Monadh fada, réidh,
Cuilidh 'm fuighte féidh,
Soilleireachd an t fleibh,
Bha mi fonruchadh;

'S foineafach an fpreidh,
Bhios a chomhnuidh ann;
Greadhainn bu gheal céir,
Faoghaid air an deigh,
'S laoghach leam an freud,
A bha froinciseach.

'S aigeannach fear ea-trom,
Gun mhór-chuis,

Thá mhanntal uime feín,
Caidhtiche nach treig,

Bhios mar chomhdach áir;

'S gach car tha dol diotfa ga d' fhior-chur am móid
'S thu theaghlach an Iarla fhliochd Dhiarmaid

Bhi marbhtach le'n armachd air dearganaich

VIII.

'Si 'n ainnir bu taitnich' a bh' ac' ann a ſtír,

ORAN XXI.

Oran gaoil.

I.

'A Mhárai bhán gur barrail thu,
'S gur barraicht' air gach seòl thu,
O'n thug mi gaol cho-daingean duit,
'S mi t fharraid ann s gach còmh'ail:
'S earbsach mi a d' cheanaltas,
'S na fhuair mi cheana d' chómhradh,
Nach urrainn cách do mhealladh uam
'N déis do gheallaidh dhamh-sa.

II.

'S chuala mi mar shean-fhocal
Mu'n darach, gur fiodh còrr é,
'S gur geinn dheth fhein 'ga theannachadh
A spealtadh é 'na òirdnibh:
'S mi 'n dúil, a reir na h calaidh sin,
Gur maith leat mi bhi d' sheórsa,
Nach tréig thu mi, 's gu 'm faigh mi thu
Le bannaibh daingean pòsaidh.

III.

'S é chum an raoir mi m' aithreachadh
An ſpéis a ghabh mi òg dhiot;
Bha ſmaointean tric air m' aithre-ſe
Mu'n ainnir a's fhearr fóghlum:
Cha 'n 'eil cron r'a áireamh ort,
O' d' bhárr gu fáil do bhróige,
Ach ciallach, fialaidh, fábhorach,
Air fiamh do ghâire 'n còmhnuidh.

IV.

'S do chúl daite lán mhaiſeach
M' an cuairt a d' bhráigh 'n órdugh,
Air ſniamh, mar theuda clárſaiche,
'Na fháinneachaibh glan nóſar:
Gu líth-dhonn, pleatach, fár-chleachdach,
Gu doſach, fáſmhar, dómhail,
Gu lúbach, dualach, bachlach, guairſgeach,
Snaſmhor, cuachach, ór-bhuidh.

V.

Tha t aghaidh nárach bhanail,
Dá chaol mhaluidh mar ight eoin ort;
Roſga réidhe fallaine,
'S dá ſhúil ghorm mheallach mhóthar:
Do ghruaidh mar chaoran meangain,
A thug barrachd air na róſan;
Do dheud geal dreachmhor meachair grinn,
'S do bheul, o'm binn thig óran.

VI.

Tha do phóg mar úbhlan gárraidh,
'S tha do bhráigh mar an neoinein;
Do chíochan líontach mulanach,
'S an sít 'g an cumail cómhnard:
Corp ſeamh, geal, gneadhail, furanach,
Deadh-chumachdail, neo-ſpórſail;
Do chalpa cruinne, lúthora,
'S an troigh nach lúb am feoirnein.

VII.

'S é 'm fáth mu'm biodh tu talach orm,
Gur ra-bheag leat mo ſtóras:
'Bha dá-rud-dheug a' tarruing uam
Na thionail mi do phórſan.
Bhiodh ól, is féiſd, is banais ann;
Bha ceól, is beus, is ceannaíchean,
'N fhéill, 's na gibhte leannanachd,
An amaideachd 's an óige.

VIII.

'S a nis' nam faighinn marram thu,
Cha leanainn air an t ſeól ſin;
Dheanainn áiteach fearainn,
Is crobh bainne chur mu chró dhuit:
Mharainn iaſg na mara dhuit,
'S am fiadh ſa' bhealach cheòthar
Le gunna caol nach mearachdaich,
'S a mhealladh fear na cróice.

IX.

'S mór an gaol a ghabh mi ort
Le ra-bheagan a d' eólas,
'S mi 'n dúil gur tu bu leannan damh,
'S nach mealladh tu mi m' dhóchas:
Ge d' bhiodh am bás an caraibh dhamh,
Gun bhar'ail ri tigh'n beo uaith,
'S é dh'fhágadh slán mi 'n righbhinn mhálta,
Márai bhán o Lóch-lairig.

Cha taobh thu duin'-uaſal,
'S cha 'n áill leat am buachaill',
'S cha 'n fheairde fear-fuadain
Bhi cruaidh air do thóir.
'Si nion, &c.

Cha taobh i fear idir,
Air eagal mo chriobloid;
'S cha toilich té miſe
Ach iſe le deoin.
'Si nion, &c.

A dh'iunnſacha' beurla,
'S cha 'n fhág mi thu t éiginn,
Ri ſpréidh an fhír mhóir.
'Si nion, &c.

A 'nion na gruaige,
Cha chreidinn ort tuailios ;

Cha 'n fhuath leam do ſheól.
Si 'nion, &c.

'S é mheaduich mo ghaol ort
Gu'n d' fhas thu cho-aobhach,
'S gu'n leumadh tu daonnan
Cho-eutrom 's na heoin.
'Si nion, &c.

'Si 'n togarrach lao'ach
A thogainn mar roghuinn,
Nam bithinn a' taoghal
San tigh am bi'n t ól.
'Si nion, &c.

Gu'm b' fhearde daoin'-uaiſle
'N ám thionnda' nan cuach thu,
A thoirt luineagan-luaidh dhoibh
Mu'n cuairt air an ſtóp.
'Si nion, &c.

Hem o, &c.

'S diomach mi do'n ghile-mhártuinn,
Bha-cho'-dána 's dol 'na caruibh.
Hem o, &c.

Feuduidh na h eunlain bhi róichdeil
Ag itheadh a feóla 's a ſaille:
Hem o, &c.

Cha 'n 'eil eun a laidh air fulachd
Nach raibh umad ann an cabhaig.
Hem o, &c.

Am fear ruadh a chuir gu bás i
Thug é páirt dhith hun na garuidh.
Hem o, &c.

'Nuair a ránuig mis' an ár-fhaich',
Cha raibh láthair dhiot ach faileas;
Hem o, &c.

Is bha 'n olann air a pealladh.
Hem o, &c.

Gheibh mi rúsg an Tigh-na-fróine
O'n mhnaoi chóir a bha san Arrar.
Hem o, &c.

Gheibh mi na rúisg mhóra, gheala.
Hem o, &c.

Nach d' theid mi 'm freaſdal a-ceanail.
Hem o, &c.

Thig mi dhathigh leis na gheibh mi,
'S tomad deth co-mhór ri gearran :
Hem o, &c.

Foghnuidh ſúd damh cór as bliadhna
Chumail ſniamh ri nian a' bharain ;
Hem o, &c.

'S 'nuair a theid é fuidh na ſpáluibh,
Ni i fábhor rium a bhain-fhítheach.
Hem o, &c.

'S ioma' té ni aodach guamach
Ach cha luaidh i é gun chearthar.
Hem o, &c.

Th' uile gruagach tha 'n Gleann-éite
Dh' fheumainns' iad a thigh'n do'n bhaile;

'S 'nuair a chuireas mi air feól iad,

'Nuair a theannas iad re fúchdadh,
Cha bhi túchadh air an anail;
Hem o, &c.

'Nuair a ſhuidheas iad air cléidh,
Gu'n cluinnt' an eughach thar na beannuibh;
Hem o, &c.

Nuair a ſheinneas iad na h órain,
Cuiridh iad na h eoin an crannuibh;
Hem o, &c.

Nuair a theannas iad ri luinneag,
S binn' iad na guileag na h eala;
Hem o, &c.

'S mór is binne fuaim nan nionag
Na ceól píob air thús a' phannail;
Hem o, &c.

Bithidh a túrn an láimh gach té dhiubh,
'S bithidh a beul a' feinn na h ealaidh;
Hem o, &c.

Té ri búrn, as té ri móinidh,
Té a' cur feól air an ainneal,
Hem o, &c.

Té ga phoſtadh ann an túbadh
Té 'ga luidreadh, té 'ga ghlanadh,
Hem o, &c.

Dithis 'ga ſhlachdadh gu láidir,
Dithis 'ga fháſgadh gu gramail,
Hem o, &c.

Ach mu'n cuir iad as an lái' é
'S cinnteach mi gu'm fás é daingeann;
Hem o, &c.

Nach raibh h eug'as ann ſan fhearan:
Hem o, &c.

Bha i riathach, 's bha i lachdunn,
Bha i cais-fhionn, 's bha i cean-fhionn;
Hem o, &c.

Bha i croidh-fhionn, 's bha i bótach;
Bha geal mór air bár a breamain.
Hem o, &c.

'Nuair theid mi ſhealltuinn nan caorach,
Iundraichidh mi chaora chean-fhionn;
Hem o, &c.

S' miſde mi gu'n d'rinn i m' fhágail,
'S b'fhearde mi i 'm fad 's a dh'fhan i;
Hem o, &c.

Cha do leig i riamh an fháiling'
Ann am árdaich, fhad 's a mhair i;
Hem o, &c.

'Nuair a rachuinn chum na h áiridh,
Chuireadh i na tráighean tharum,
Hem o, &c.

'S ro-mhaith thogadh i na páiſdean,
Bhiodh iad ſáthach 'nuair bu mhaith leam.
Hem o, &c.

'S miſe bha air bheagan ſaoithreach
'M fad 's a bha mo chaora mairtheann:
Hem o, &c.

O'na tháinig ceann a faoghail,
'S eigin damh bhi daor ſa' cheannachd.
Hem o, &c.

Gu'm bu flán do'n cháta' chaorach
As an d' tháin' a' chaora cheann-fhionn;
Hem o, &c.

'S an té o'n d'fhuair mi i 'n toiſeach,
'S ro-mhaith choſainn i mo bheannachd.
Hem o, &c.

Beannachd leis an rud a dh'fhalbhas;
Cha 'ne 's fhearr dhuinn ach na dh'fhanas;
Hem o, &c.

'S fhearr bhi criodhail leis na dh'fhuirgheas,
Na bhi tuirfeach mu na chailleas.
Hem o, &c.

II.

So na dh'fhág an aigneadh íosal,
Do chorp príseil bhi san uaigh;
Is iad mar loingeas gun bhi díonach,

'S tusa b'urrainn an toirt sábhailt,
Ge do bhitheadh an gábhadh cruaidh.

III.

IV.

Dh'fhág iad 'na laidhe ſan úir e
Far nach dúiſg e gu la Luain.

VI

'S ann an tráthaibh na Feill-bríde

VII.

Cha do ſheall thu riamh gu h-íoſal
Air ni chuireadh síos an tuath.

Bha t'inntinn buan anns a' chóir.
O 'na thug iad air ghiúlan ſluaigh thu,
'S aobhar ſin a luathaich deoir.

IX.

Cha 'n'eil ei'neas ann am Bealach ;
Cha 'n'eil farum ann na ceól ;
Daoine dubhach, 's mnathan galach,
Is iad gun ealaidh ach am brón,
O 'na chaidh do ghiúlan dachaidh
O 'n mhachair air mhúthadh ſeoil ;
'N áit' an éidigh ſin a chleachd thu,

X.

'Nam bu daoine bheireadh dhinn thu,
Dh'éireadh míltean air an tóir :
O bheul Tatha gu Lathurn íochdrach,
Sin fo chís duit agus cór :
Far an d'fhás na gallain fhíor-ghlan,
Is iad líonmhor ann gu leoir,
A rachadh togarrach gud' dhíoladh,
Nach obadh dol síos le deoin.

XI.

'Sann tha chúis ni's fearr mar tha i,

Ann an gairdeachas ro-mhór.
Gur e 'n Ti a ghlac air láimh thu

Air oighreachd a's fearr na dh'fhág thu,
'An áros ághmhor Righ na glöir.

XII.

(Soirbheas ard re cúl gach feoil)
A dh'fhaotainn feilbh air an t-faibhreas
'S air an oighreachd fin bu chóir,

THE END.

Oran Jain Faochag. Le D. Macantsaoir.

Jain Faochag ann an Saffunn,
Smor a mhaſladh is a mhichliu:
Chaill e na bhaige do chairdean,
'S tha naimhdean air cinntinn lion'or,
Ge b' fhada theich e air aſtar,
Chaidh a ghlaca, 's tha e ciofnaicht,
Chairich iad e fo na glaſſan,
'S tha niuchair taifgt aig maor a phrifuin.

Tha e nife' 'n aite cumhann
'Se na chruban dubhach deurach
A chas daingeann ann an iarunn
Ga phianadh is e na eiginn;
Baſadh dha bhi ann ſan fhia'rus
Na 'n iargain a tha na chreubhaig,
S' e 'n ſin o cheann cór as bliadhna,
A h uile la ag iarruidh réite.

Ach na'm faidhe' tuſa reit'e,
An eirig na rinn thu ſheanachas,
Baobhar miſnich do gach beiſt é
Gu'm feudadh iad fein do leanmhuinn;
Fear gun ſeadh gun laodh gun reaſan,
Sann ſan eacoir a tha tearbſa,
Theann thu mach o achd na cleire,
'S thug thu moid nach eifd thu Searmain.

Thug thu di-meas air air an Eaglais,
Air a Chreidimh 's air na faimndean
Chuir thu breugan air an Trionaid,
'S air na h iartafan a dh'ág iad;
Tha e nis na ghnothach cofail,
A reir an t ſhoifgeil tha mi cláifinn
Gun a chuir thu cul ri ſochair,
Na faorſainn a choifinn air Slanuigh'ear.

Chuir thu cúl ri'd mhoidean-baiſde,
'S mor a maſla' dhuit an áicheadh,
Chaill thu chuirt am biodh an ceartas
Raoinich thu 'm peacadh na háite

Ghleidh thu 'n riaghailt fa'n feol ſtiuraidh,
A bh'aig Judas do dhearbh-bhrathair,
'S mor an ſgainnil air do dhuthaich,
Thuſa bhruit gu'n d'rinn thu fás innt.

Ach ga do Shealita huile doire
Cha raibh coille riamh gun chríonach,
'S tha fios aig an t ſaoghal uile
Nach bi choill uile cho direach :
S' tuſa chraobh tha'n diaigh ſeachda,
Gun chairt, gun mheangain, gun mheuran
Gun, ſnothach, gun bhri gun duilleach,
Gun rúſg, gun urad nam freumhan.

'S tu 'n teun a chaidh ſan deachamh,
'S e'n nead creacht' an deacha t' fhagail,
'S tu 'm fitheach nach d' rinn an ceartas,
A chaidh air theachdaireachd o'n airce :
'S tu 'm madadh-alluidh gun fhiaclan
'S mairg a dhiarradh bhi mar tha thu,
'S tu 'n Ceann-cinnidh aig na biaſtan,
As tha gach duin a 's fhiach a tair ort.

Cha 'n ioghnadh leam thu bhi'd bhalaoch
Is bhi ſalach ann ad nádar
O'n a lean thu ris an duthchas
A bh' aig na ſgiurſaineau o'n d' thain thu
'S tu an tiſean a fhuair an túmaidh
Ris an t ſiurſaich air na ſráideau,
Si 'n droch-bheirt a thog ad chloinn thu,
Sann ad ſhlaoightire chaidh t arach

Thoiſich thu 'n toiſeach gu hioſal,
Air a chrine 's air a bhochduinn,
'Sé 'n donas a thug dhuit bhi ſpórſail,
'Sann bu choir dhuit bhi gad choiſneadh ;
'S olc nach d' fhan thu aig do dhú'chas,
Ad bhriu'air a bruich nam poitean,
A cumail dibhe ris gach Grudair
Nuair a dhruitheadh iad na botail.

Bha thu greis ad thim ad Bhaigeir,
'S laidh thu 'n fhad fin ajr na cairdean,
A bhi' oidhch ann fgach tigh as duthaich,
A dhuraigeadh cuid an trath dhuit;
Mhead fa bha do dh' ainmheach ortfa,
Chuir thu cuid nam bochd ga phaidheadh
Ciod é nis' a chuir an ftoc thu,
Ach an robaireachd fa mheirleadh.

Shaoil thu ga'm faitheadh tu achain
Bu mhaflach ga'm biodh i'd thairgfe,
Cead fuidhe 'm Parlamaid Bhreatan,
Gun chiall gun cheartas ad teanachinn;
Duine dall a chaidh air feachran,
Nach eil beachdail air na s'fhearr dha,
Le comhradh, tubaifdeach tuifleach,
'S le fior dhroch thuiteamas cearbach.

Duine gun fhearann gun oighreachd,
Gun ni gun ftaoile gun airgiod,
Gun bheus gun chreideamh gun chreideas,
Gun ghin a chreidis a fheanachas;
Duine mifgeach brifteach breugach,
Burri tha na bheifd fna ainmhidh,
'S trioblaid inntin air itheadh deifneach,
Gu tric a teumadh a chroidhe chealgaich.

Tha thu fonraicht ann ad chonan,
A togail conais a miofg dhaoine.
Cha chualas roimhe do choimeas,
A bhi dhonas air an t faoghal,
Ach an Naitheir an Gara-Edain,
A mheall Eubh aig bun na craoibh
A chomhairlich gu buain a mhios i
A dh' fhag ris an Cinnea'-daoine.

Thoifich thu 'n toifeach fan eucair,
Ag innfeadh bhreugan air Ri'-Deorfa,
Cha chreid duine uait an fgeul ud,
'Scha d' thoir iad eifdeachd ad cho'radh;

'S beag a dhruitheas do dhroch dhurachd,
Air oighr' a chruin is na córach,
Sa liuthad neach a tha gu toilcach,
A toirt onorach ga mhorachd.

Ga beag ortsa Moroir Loudin,
Baithne dhamhsa 'n sónn o'n dh'fhas é,
Duin-uasal feisneach fonn'ar,
Criodh cónnar, aigneadh arda,
Seanailear air thus na harmailt,
A bha ainmeil ann sna blaraibh,
Cha mhisd é madadh air bhaitheal
A bhi tabhunnaich an trás'ris.

'S górach a labhair thu moran
Air cúl Jarlo Bhoid an tarnunn,
Co'sball onorach le frinn,
A seasamh na rioghachd gu laidir,
'S e gu hard urramach priseil,
Ann an cuirt an Riogh sna Banriogh'n,
Achaindeoin na Faochaig 's na 'm biasdan,
Leis am b' fhiach dol ann am pairt ris.

Bhruithin thu gu leir nur Albainn,
'S b' fhearr dhuit gu 'm fanadh tu samhach,
Na 'n d' tigeadh tu choir na 'n garbh chrioch
Bu mhairg a bhiodh ann ad aite,
Bhiodh tu 'm prioran re do lathan,
Dh' aindeoin na ghabhadh do phairtse,
'S an eiric na rinn thu dhroch-bheirt,
Bheirte chroich mar ghalair bais duit.

Cha 'n ioghnadh dhuit bhi fo mhulad,
Fhuair thu diom gach duin an ál so,
Se sin fhein a bha thu coisneadh,
'S creutair crosd thu o'n dh' fhas thu,
'Slionar mio-run ann ad chuideachd,
Mallachd na Cuigse sa Phòp ort;
Mallachd an tsaoghail gu leir ort,
Sinn mhallachd fhein marri' each ort.

FHUAIR mi Sgeul air Muintir Hopteun,
Cha sgeul beag, e.
Is Dona b fhiach iad riamh an togail,
Sluagh nach freagradh
Gealtairean nan eadan boga
Siol na bleide,
A dh iarras paighe's, nach dean obair
Leis an Eagal.

Dhiarradh orra dol do Shasgan
Ann Chinseal Cogaidh,
Gu faigheadh iad saor An t Aiseag,
Air ghaol socair,
Leag iad ar Caoineadh 's air basraich
S'trom an osnaigh,
Tha iad ren saoghal fu mhasladh,
Dh' fhaiteadh an Crochadh.

Ma gheibh na Gaidhail an tairgse
Fhuair na daoine ud,
Cha toradh iad druim no fairge,
Le seol gaoithe,
Siuibhlaidh iad Sasgan is Albain;
Suntach eatrom
Gun fhiamh gun eagal gun Chearbaich,
Gun Leisg Saoithrech.

Sliochd nam fineachan is ainmeil
Tha ar an t Shaoghal,
Is mor an Cruadal a bha ann earbsadh
Riu'a Daonnan,
Is onair d'ar. Duthaich gun d fhalbh
Sibh thighin an taobh so,
S'ann an traths tha Cuis re dhearbhadh,
Is cliu ra fhaotain.
